view of my smooth, round arse. "That looks fantastic," he panted as I tugged my panties tight between my buttocks so the camera could see every fold of my pussy through the material, glistening with juice. I wiggled my arse, placed a hand between my legs and begun rubbing my gusset, pressing hard on my hot clit, trying to emulate the girls I'd been eyeing up on the train. Then I lost my panties and spread my butt cheeks wide apart as Dave got in for a close-up of my tight arsehole and dripping pussy.

Lying back on the sofa with nothing on but my trainers, I really felt like a porn model as I splayed my legs and ran my fingers along my wet slit, grinding my hips for the camera.

The more I played with my pussy, the more I got a taste for dick. Feeling every inch a whore, I unzipped Dave's pants and let his rock-hard penis spring free. Flicking my tongue over the tip, I massaged his balls and began licking the shaft as he groaned away above me, camera still clicking as he took shots of me sucking his dick. I can't wait to see the photos – I bet I looked like

sperm into my skin, before standing above me to take one last picture of me spread-eagled on the floor, still pumping two fingers in and out of my hole with a pool of hot come across my breasts. The next day I felt guilty about behaving in such a slutty manner the night before, but I couldn't shake the memory of how horny the whole thing had been and it wasn't long before I rang Dave to see if he fancied another 'shoot'. Funnily enough, he did!

Debs, Leicester.

SIMPLY DAVINIA, DARLING!

Dear Mayfair,

Despite having been married for 13, over the past few years the wife and I had come to have less in common – she had developed into the typical would-be socialite, while I'd become a complete

workaholic. It was little surprise to anyone when we split up.

After we parted, I rented a flat in the city centre and enjoyed the newfound freedom of returning to work at night whenever I wanted. I had been separated from my wife for four months when I met Davinia.

Considerably younger than I am at only 24, Davinia is a tall, shapely brunette who works in our accounts department, on the floor below mine. Having regularly bumped into each other in the office building's canteen and eaten together, we'd become more and more friendly. When we finally discussed our feelings, I asked her to go out for a posh meal with that weekend. I never in my wildest dreams anticipated that we'd be having our first fuck that very night...

The building in which we work is always sparsely populated in the evenings, which suits me fine as I get much more done. The only people on the premises after 7pm are security guards and cleaners. That evening, I'd stayed later than planned to finish a report, and I was just finishing it when I happened to glance up – and there stood Davinia. Obviously having changed, she was wearing a calf-length mackintosh, which she left open to reveal a tight white top stretched over her pert breasts and a mini-skirt so tight it left absolutely nothing to

COVERING ALL BASES

Dear Mayfair,

Allow me to commend you on the girls who appeared in 50.07, every one of whom could more than justifiably have featured on the cover! You've already had letters asking when Cara (sorry, Kara) Delahoyde is going to be on the cover, and we all know that Penny Lee and Cara Brett are worthy covergirls of previous issues. On top of that, Alli and Eva were both sensationally sexy, and certainly deserve a cover shoot at some point. And of course Danielle was a more than worthy recipient of the honour for that issue. It's not every month the magazine features so many stunners, but you've certainly pulled it off this month (as have I – repeatedly!).

John, Brentwood.

Cheers John. We're glad to hear last month's girls got the job done! – Ed.

a right little slut as I licked his balls and wanked his prick against my face. I could feel from the tightness in his balls that he wasn't going to be able to take this for long, and I desperately wanted to get him inside me. I laid back on the sofa and wedged a foot against either side. Spreading my legs as far as they'd go, Dave got between my thighs and pushed the tip of his pole into my aching minge and thrust his way in.

I was so turned-on by the build up to this shag, I could feel myself starting to come right away as he plunged and withdrew his cock from in me. Reaching down, I grabbed hold of Dave's balls and rubbed at my inflamed clit as I went into euphoric convulsions, an orgasm ripping through my body. Dave, also reaching his peak, slid himself out at the crucial time and straddled my chest as he aimed his well-lubricated cock at my tits, sending a spray of spunk splashing over my cleavage. Rubbing his helmet over my hard nipples, he massaged his warm

the imagination.

Smiling, she entered my office and closed the door behind her. "I was at a loose end," she said, "So I thought you might like to do something?"

"I'll just pack up," I said, flustered, "Then we could go for a meal, or..."

Davinia wasn't listening. She dropped to her knees beside my chair, her stockings brushing

R reckon we've got one more chance to hook up with lovely Sammi Tye before the year's out? Correct – but quite possibly only because the Ed's got a certain soft spot for her, and every time we've woken him up lately he's mumbled something about 'Sammi coming in' before promptly dropping off again. Well, if anything's going to rouse him out of his catatonic state, it's the prospect of a shoot with the girl herself!

"Well I'm very glad to have been of service then!" beams the girl herself. "Anything else you'd like me to do while I'm here?"

Oh, we could probably think of something...

my trouser-legs as she unzipped me and, grinning wickedly, drew my stiffening cock from my boxers.

I started to say that we couldn't do anything here, but there was something new and exciting in that being caught with my pants down was even a possibility.

Rubbing my foreskin back and forth, she used her thumb to tease the underside, while with her other hand she hefted my bloated nuts and gently kneaded them. I hadn't had sex in a long time and immediately felt my seed welling.

Davinia sensed this and pushed one finger into my groin just behind my ball-sac, holding her mouth open to catch the spurts of jism that were already starting to fly. Honestly, I had never come so hard in my life. Dizzied, I sank down to the carpeted floor and lay down, breathing heavily.

She sat by me, smoking a cigarette while I recuperated, then squatted over my face, lowering her dark, curly bush and rose pink labia to my lips.

"You've made me terribly wet," she whispered. "I think you'd better clean me up a bit."

I found her nub with my tongue and sucked at it until she began bucking and whimpering above me, finally spraying my face with her sweet cunt juices. I licked her vagina clean, relishing the taste of her musky cream.

Afterwards I said I'd drive her home, being deliberately vague as to whose home. After a brief visit to the office toilets to fix her make-up, she rejoined me and we descended in the lift to the basement.

Turning the car out into the street, I asked, "So, where to?"

"Let's go to the park!" She replied, smirking.

It was a fairly warm evening so when she murmured something about being "very hot" as we drew up at the park I naively suggested she leave her coat in the car.

"Are you serious?" she demanded. "I'd be arrested for public nudity."

I thought she was joking, but the very idea of her being naked underneath her coat was enough to start my cock swelling again.

"Do you like that idea?" she asked as we walked. "Would you like me to flash you?"

We stopped underneath a tree and

embraced. I kissed her feverishly, but she suddenly stopped me and asked me to unbutton her mac. When her coat fell open I couldn't believe my luck – all she was

AMES TO PLEASE!

Dear *Mayfair*,

There's an old saying, is there not, that "Men never make passes at girls who wear glasses"?

Surely, if ever that were true, an exception must be made in the case of the exquisitely super-fit model August (the month of my birth, by the way) who featured in 50.06!

There must be some very good genes knocking about in Canada, because when this young lady's Dad planted his seed in the womb of her Mum the results are all too clear for all to see in Junior Miss's adult glory!

I wish I had the price of a one-way air ticket to Canada so I could see if the rest of the country comes anywhere close to Miss Ames's standards!

Kev, Bourne.

There's probably be a very long queue at the check-in desk if they do, Kev! – Ed.

wearing was a pair of stockings and a sexy lacy suspender belt!

I quickly unzipped my fly and rubbed my cockhead against her moist twat. "Remember," she told me, "If you make a mess you'll have to clean it up."

The notion of tasting my own spunk didn't especially appeal to me, but my balls were once more aching. I consented, and Davinia raised herself up on her toes and told me she wanted me inside her cunt. As I pushed into her pussyhole, I noticed how her interior felt tight, wet, and very warm and welcoming!

her vag into my face as she strove for her orgasm. I kept licking away frantically until it arrived. She came hard and noisily – and just as we heard a woman come in the toilets then hurry outside again! That did it, and, as Davinia climbed down and lowered her lips around my bell-end, I spunked off in her mouth again.

We see each other very regularly now for a bunk-up and she's helping me get over my marriage breakdown. In fact, I rarely think of my wife at all now I have my busty, brunette bombshell!

Barny, Hampshire.

Her vaginal muscles did all the work for me, contracting and pulling on my cock as we pressed together, until I erupted and blew my load deep inside her. We stayed like that until my prick finally deflated and slipped out.

Straightening her coat out, she glanced around, "It's getting dark. We need some light on the subject."

I wasn't sure what she had in mind, but we headed over to the public toilets, where she checked to see if anyone was in the Ladies. Thankfully it was all clear, so she led me inside and we bundled into one of the cubicles.

I soon had my answer as Davinia stood on the toilet-seat and spread her thighs wide, using one hand to steady herself and the other to part her labia, and told me to get involved. I had never tasted my own junk before and was slightly hesitant, but I knew if I didn't do this I could kiss goodbye a repeat performance, so I started slurping away at her now-gooey gash. I was surprised at the arousing taste our combined juices made.

□□□□□□□□

Thought we'd shot our bolt by opening the mag with a spectacular debutante? Well think again, bud, because we've only gone and followed Jayne up with another sizzling newbie, this time in the form of pocket-sized poppet Adele Taylor! She's already made quite a name for herself online (and let's face it, she gave herself a head start with being called Adele, didn't she?), but now she's decided it's high time she made the jump into print as well...

"It's what every model wants, isn't it?" she asks, rhetorically. "To see themselves in print? I was just a bit nervous about whether you'd think I was right for the magazine, otherwise I'd have been in touch sooner."

A bit nervous? Now in life there are things that you should be a bit nervous about – driving tests, root canal work and that sort of thing – but wondering whether a girl as cute as you is right for *Mayfair* certainly isn't one of them!

Mmm – there have been plenty of wonderful things to come out of Italy over the centuries, from, er, despotic and unhinged Roman Emperors to the Renaissance and the pizza, but we reckon that Valentina here's got to be Italy's tastiest export since spag bol! And doesn't she look the part in that *Bonnie and Clyde* style get-up, complete with vintage motor?

"Do you like the car?" she asks, her sexy accent almost distracting us from her gorgeous bod for a moment. "It belongs to one of my lovers. He's a very rich man, and collecting beautiful things is one of his passions!"

We can well believe it! The car's stunning, but not half as collectible as the girl draped over it, we'd say!

"Ah, you're very kind! Just for that I'll give your readers a chance to see what I've got under my bonnet..."

Bustylicious British babe Charley Atwell seems like a more than suitable inclusion for the first issue of the year, don't you think? After all, nobody likes January very much, and if anything's likely to put a spring in your step as you trudge through the grimmest time of the year – not to mention a good bit of lead in your pencil – it's the site of this curvy lovely and her stupendous set of GGs! Who needs superfluties like sunshine, flowers and fresh air when you can while away the time with a set of charlies like Charley's?!

QUEST...

Never really got the hang of mornings? Then you're clearly doing it all wrong, as this trio of early risers prove all too clearly!

I've always been at my horniest first thing in the morning, which was great when I was in a relationship, but for the last couple of years I've been single – concentrating on my career – so getting laid earlier in the day has been somewhat more problematic. Plus, being an air hostess I keep strange hours, so it's really quite hard to meet people.

Name: MONA
Age: 28
From: UXBRIDGE

Last month, I was working in first class on a flight back to Britain from Kuwait from midnight, which is the most tedious of flights – and eight hours at that. At least the flight was empty apart from a couple in their fifties, a pair of young newlyweds and a lone businessman saving his expenses by catching a cheapy red-eye instead of the over-priced fare he was billing his company for – and a handsome, stylish guy who caught my eye as soon as he took his seat at the start of the flight.

I had been warned never to fraternize or become overly friendly with passengers, which I never had, but given the aching in my pussy every time I glanced at him I decided that rules were definitely there to be broken.

He was about 30, obviously worked out and the twinkle in his eye when I offered him a drink let me know he was interested in having a little fun. We smiled flirtatiously for a few hours, but I wasn't about to make a move if flirting was all it was.

I knew that a blouse button undone and a raised hemline would confirm my suspicions, so after I had done my duties, making sure the passengers were fed and watered, I sashayed down the aisle and leant provocatively over the gorgeous specimen of man, allowing him a heady whiff of my expensive Italian scent.

"Fancy anything else, sir?" I said, putting on my coyest smile, knowing he desperately wanted to stare at my ample cleavage, now only inches from his face.

"Not right now, thanks," he grinned at me, "But I don't

suppose you're available for a drink when we land?"

"I can do better than that, sir," I said stroking my finger delicately down his cheek. "Follow me in a moment or two."

Walking to the rear of the first class cabin without looking back, knowing he would follow, I turned around outside the toilet to find my amorous passenger was already right next to me.

"Good morning, Sir," I whispered and pulled him inside the cubicle by his tie. Like a rabbit in headlights, the poor guy stood motionless as I hoisted up my tight skirt, working it above my stockinged thighs and then my hips, until my bare muff was clearly on view.

"God, you're fucking hot," he breathed in my ear as he kissed my neck and groped my boob roughly. I let out a sigh as my pussy frothed up, throbbing with the anticipation of being shagged.

"You're not so bad yourself," I replied, unzipping his trousers and raising my bare arse onto the sink unit. He fumbled for his cock and dragged it free, rubbing it a couple of times with his eyes fixed on my deep cleavage. Resisting the temptation no longer, he grabbed at the buttons on my blouse, undoing the lot in one movement. As I used my legs to pull the lucky passenger's dick

towards its final destination, he pulled up my bra and buried his head in the soft flesh of my boobs, kissing and sucking the warm, tanned flesh.

I had him where I wanted him now, his rigid meat touching the entrance to my slit. Using my hand to guide it in, I pulled him forwards and inhaled sharply as his dick drove up inside my gooey hole. He began to thrust it in and out, biting my tits and groping behind me for a feel of arse.

In the confined space of the toilet, the sex seemed dirtier somehow, and his banging of my twat became more and more intense. He managed to get a finger into the crack of my butt and dug it into my tight little bumhole. I moaned and clenched my lithe, nylon-clad limbs tighter around his waist, clamping his pumping shaft deep inside me. The delicious feeling of orgasm began to stir deep within me, but I wanted his squirting seed to be the trigger. Even in the confined space of the cubicle, I managed to gently rotate my hips as he humped me, knowing every square centimetre of his dick was getting its own, very personal, pussy massage.

I could hold back my climax no longer and grabbed his balls, causing my temporary lover to grunt loudly and jettison his spunk

straight up inside my throbbing gash. I arched my back as I felt the thick cream fire inside me and my body trembled with pleasure. My thighs began to quiver involuntarily as the first wave of my massive orgasm swept through my muscles. I gasped, panting in time to the heavenly release of tension and clamped the sexy man's body tightly to my crotch with trembling legs.

When I finally left the toilet, a few seconds after my companion, the seat belt warning signs lit up as if on cue, and I hurried to straighten my uniform out and get back to work. My secret lover and I exchanged knowing looks for the remaining few hours of our journey and he discreetly handed me his number as he left.

We've spoken on the phone since then and he has another overnight flight booked for next month, which I'll make sure I'm working on. And until then I'll make do with my faithful vibrator for my morning glory!

I am a bit of a party girl, and my girlfriends and I like to party right through the

weekends. The problem is that most guys who drink and dance all night need to sleep it off the next morning, and when I party I like to keep it going all through the night and into the next morning.

My name is Annie and I am a twenty-something bank worker who is used to burning the candle at both ends. I often work late and the next morning I am still ready to give 100%. I do this by working hard and playing even harder.

Every so often I meet a guy who is up to me and keeps me happy sexually for a while but mostly it is just a one night stand and first thing in the morning they either just roll over or crawl away somewhere to

“I PUSHED MY ARSE BACK AGAINST HIS HARD-ON, AND HE MOANED AS HE RAN HIS TRUNCHEON UP AND DOWN MY BUM CRACK...”

sleep it off.

That was until I met Jake two weeks ago at my cousin's wedding. Jake not only lived up to all my expectations, but that night, instead of me having to beg for more sex he had me lying on my back gasping for air.

It was a first for me, but the icing on the cake came the next morning when I awoke to feel Jake's hard cock poking between my arse-cheeks. With an enormous smile on my face I reached behind me, and, grasping his massive schlong in my hand I began playing with it gently, surprised to feel it growing even bigger in my hand.

Jake stroked my hair, pushing it out of the way so he could kiss the back of my neck. His fingers found my nipples and rolling them between thumb and forefinger he teased the engorged teats sending sensations of exquisite delight throbbing through my whole body.

I pushed my arse back against his hard-on, and he moaned as he ran

his truncheon up and down my bum crack, coating it with my pussy juice. His fingers pinched my nipples harder, making me squeak a little in surprise but the sharp nip from his fingernails only increased my arousal, and as I wriggled back against him he held his cock against my tight anal rose.

As I say, I just love to be woken in the morning for sex... and here was this great-looking guy in my bed, after a wonderful night of drinking, dancing, and sex - and he wanted more! So I relaxed my bum-hole, and pushing back onto his thick knob I had wonderful memories of the night before when I had sucked his engorged helmet right to the back of my throat.

I was so turned-on that my pussy juice was all the lubricant Jake required to push through my sphincter, and in my excitement I began rubbing my clit furiously with my fingers, making my pussy juice trickle out and tickle as my anal muscles gripped Jake's shaft. He waited until I had relaxed them again before pushing his cock further inside my anus, and then he began to move it slowly back and forth.

It was so exciting that I slid a finger inside my pussy and we began moving back and forth and in and out in time with one another. I could

feel his thick cock through the thin membrane that separates both my pleasure tunnels and before long I began to feel my orgasm building. With his fingers plucking my nipples, Jake began banging my arse harder and faster until I could hold off no longer, and as I felt my pussy go into spasm I pinched my clitoris and started to come.

My pussy convulsed around my fingers and I felt my anal muscles gripping Jake's cock tight. Then just when I thought I could climax no longer, Jake began to move his cock in and out more slowly. My pussy clenched hard and my clitoris started to throb so fiercely that my pussy juice began to sprinkle the sheets as Jake slowly eased his cock out of my anal passage.

I lay back gasping as Jake used the en suite bathroom to wash his cock and get ready for the next round. It was the first time ever that I had come anyway near to being sated and I was impressed that Jake

had only being limbering up for the next round.

When he returned I took his freshly washed cock into my mouth to restore its hardness, but I need not have worried, because Jake was back up and running in just a few moments, with his big cock standing upright stiffly and ready for action. I loved his masculine swagger and when he rolled me onto my back and climbed onto me in the missionary position I was not surprised.

I didn't even mind when he took both my hands and held them over my head so he could play with my body without interference. It felt very sexy to be held down while he kissed and licked his way down my body, sucking my nipples hard so they peaked,

“FINALLY HE CLIMBED ASTRIDE ME, PUSHING MY LEGS WIDE AND MOUNTING ME.”

tingling with excitement. Then he moved down to my pussy, separating my sex-swollen labia and licking them with such expertise that I was close to coming without his even touching my clit.

Finally he climbed astride me, pushing my legs wide and mounting me, driving his rigid cock deep inside and filling me with his massive erection. Then he began fucking me for dear life.

I responded in kind, and it was the most satisfactory and memorable sex I have ever had. I raked his back with my nails and he bit my shoulder. Then he shunted into me one last time and my legs wrapped around his

My now ex-boyfriend once described my living arrangements as a clusterfuck, and he was absolutely correct. When I answered the advert for a vacancy in a seven-roomed house share in Manchester, I noted with relief the demand for 'Professionals only'. Apart from the hospital porter, who spent

and down the stairs. Angela confessed that she had been thrown out by her despairing parents after their home had been repeatedly trashed. Angela's grandmother had been forced to follow suit after her house too had been trashed. It was in paying Angela's rent and housing her with responsible adults that she was hoping to instil some responsibility in

his nights masturbating furiously while using his computer to chat to ladies in other countries, the house was calm, quiet and restful. Unfortunately, the quiet people moved out and noisier people moved in. The fat

girl in the room above me might have brought home a different man to her bed every Thursday, Friday and Saturday night but the creaking bedframe and the squeal of delight was always the same. Or at least it sounded the same at 2:30 AM. Sometimes I wondered whether she might break through the ceiling and end up joining me in my room. But it wasn't the fat girl who joined me in my room, it was Angela.

Angela was the breaking point of the house. By day, she was lovely; sweet as could be. By night, whatever else she was doing, it involved running up and down stairs and screaming a lot. Sometimes it was the police running up

her wayward grandchild. The idea backfired. Within weeks, there was only me, the hospital worker and the fat girl left. "Why don't you move out as well?" Clara, a friend at work asked.

"Imagine how boring our chats would become," I joked. But that's where the joke was on me. I wouldn't count myself as a thrill-seeker, and probably wouldn't be studying to be a barrister if I was, but it was exciting to be caught up in the

middle of people actually living their lives. To me, it was a real eye-opener that a fat girl could have more satisfying sex in a week than I had had in a lifetime. I didn't know that a man could masturbate deep into the early hours of every morning and still be normal. It was a real mystery to me why a good girl like Angela would choose to be with men who were clearly ruining her life. But to her, it was a mystery as to why I would choose to be with a man who couldn't sexually satisfy me. "Perhaps I could borrow a bloke from her upstairs. They seem to be able to get the job done."

Angela laughed. "Somehow, I don't think those chubby chasers would be interested in a woman like you."

I'd never heard that phrase before. "You can't say that!" I protested, my years of training having given me a highly-tuned

political correctness.

"You need to loosen up." I'd always had fantasies about me saving Angela. The reality was that she saved me. It started with a knock on the door at 2:30 on a Friday night. Thanks to my fat friend upstairs, I was already wide awake. "Would you like some company?" Angela asked. "It doesn't look like we'll be getting much sleep anyway," she said, throwing her eyes up to the vibrating ceiling. I let Angela in and was surprised to find that she was already in my single bed by the time

I WAILED AS ANGELA FINGER-FUCKED ME HARDER THAN ANY MAN HAD MANAGED WITH HIS COCK...

I'd locked the door. "Problem?" Angela asked, holding my covers open for me.

"No," I said, frowning. I didn't know what was happening here. "I just..."

"Come on, I won't bite." As soon as I got into bed, Angela rolled on top of me and sank her teeth into the nape of my neck.

"Get... off!" I pushed with all my strength but couldn't shift Angela's teeth away from my neck. She started sucking hard enough to give me a love bite. It was so far up my neck that even my highest collar probably wouldn't hide the mark. "Gerroff!" In desperation, I grabbed a handful of Angela's hair and yanked, hard.

She was smiling devilishly after I'd checked myself for blood. "So, you like to play rough? The good girls always do."

"No, I don't want..."

"Of course you don't."

Despite pushing on both shoulders, Angela managed to drop her mouth down. Instead of going for my neck, this time she went for my mouth, catching my bottom lip between her teeth before I had chance to turn away. I didn't dare try the trick with the hair this time, and instead endured something which definitely wasn't a kiss. "Is your lip tingling?" Angela asked, finally breaking off her attack. She sneered down at me, using my hair to hold my head against the pillow. "What about your cunt?"

"What?" I really hadn't been ready for that line of enquiry. It suddenly occurred to me that to a deranged mind, what Angela was doing might just qualify as foreplay. Angela took advantage of my momentary lapse in concentration and straddled me. I found myself pinned under her body.

"Mine is, and I need you to touch it."

"You need me to..."

"Don't be shy. Just do to me what you do to yourself. I know you masturbate, Laura. So don't pretend you don't. My bedroom is next to the bathroom, remember?" I suddenly felt very hot, my body burning with embarrassment. Had Angela been listening to me play with myself? I'd always been so careful – or so I'd thought. Angela's

face was buried in my hair. "Funny how you take two candles into the bathroom but only ever burn one. You do use it, though, don't you?" I groaned inwardly but she knew by my body's reaction that she'd caught me. "Perhaps you'll let me fuck you with the candle sometime? I could lick your clit while it stretches you wide." This time I did groan. I couldn't help it.

This wild child with the potty mouth had invaded the most private parts of me. Not just my bed but the things which I had done my utmost to keep secret. And now she was exploring fantasies that I barely admitted even to myself. "You want me to lick you?" I didn't dare open my eyes but could feel Angela looking down at me. I let my legs fall open a little wider. "Don't be so boring. Tell me what you want."

"I want you to lick me," I said finally. Angela licked the exact spot on my neck which she had bitten. "Not there. Between my legs." I knew what would happen, and sure enough when she moved down my body, Angela's tongue traced along my inner thigh. "Not there."

"Then where, legal beagle? Be precise."

"My pussy. My clit. I want you to lick them." A second later, I was begging Angela to stop. I was so sensitive that every touch of her lips

and tongue felt like a needle piercing my flesh. It was agony. And ecstasy. "Oh fuck! I'm going to come," I mumbled to myself and the world, utterly shocked by how quickly the orgasm was swelling up inside me. Angela pushed two or three fingers into my vagina and they became the focal point of my tightening muscles, muscles which began to pulse spasmodically. But that was just the start. I wailed as Angela finger-fucked me harder than any man had ever managed with his cock – and there was the added advantage of her hungry mouth lapping at my clitoris. I came again and again and again, only stopping when I strained something in my groin and it became too painful to carry on.

"Now," Angela said, draping her naked body over mine. "Show me what you do with your fingers." This time I wasn't so shy. I rubbed Angela's clit and fingered her hot and slippery hole until she stopped screaming and started snoring. Sleep proved impossible after such a wild encounter and I was a mess

by the time I got to work the next morning.

"Do yourself a favour," Clara said, handing me the local paper. "Find somewhere, anywhere, and get the hell out of that house." I put the paper down, sipped my coffee and gave her a tired smile. "Oh my God. It was you. You were up shagging all night. Who was he?" Clara leant close in for all the juicy details.

I took my time. "You're assuming it was a 'he'," I said, using my best legal tone. I twisted my head and pulled my collar down to expose the bruise on my neck. "And in this case, you are very much mistaken."

Thinking about letting your teenaged daughter head off to an American campus to complete her education? Well think twice, or you might just find it's more than her mind that gets broadened by the experience...

★★★★☆

**Editor's
PICK**

SISTERHOOD Digital Playground

CAST: AJ Applegate, Ana Foxx, Anikka Albrite, Ash Hollywood, Dani Daniels, Jynx Maze, Keisha Grey, Lexi Belle, Lezley Zen, Maddy O'Reilly, Mercedes Carrera, Ryan Ryans.

American sororities are not really my thing. At least not anymore. I have been refused admittance to so many over the years, and each and every rejection hurts anew. It is always the same: "You're a man frantically grasping his knob – you can't come in!" So it is with a truly gigantic chip on my shoulder that I approached this film about the girls of sorority Delta Pi Chi and what fun things they get up to with each other, them and their typical bloody no-blokes-in-the-dormitory policy.

The luscious Dani Daniels stars as Bella, head of the sorority, who oversees her sex-crazed sorority sisters partying in their little plaid skirts and shagging lads from the fraternities, but selfishly fails to turn down the ridiculous volume of the music, which leads to trouble when the neighbours complain to the police and the Dean threatens the sorority with being kicked off the campus.

Stunningly sly Keisha Grey hides (I say 'hide' – she actually places it in a fairly obvious spot) a video camera in the Dean's office, however – a cunning move which soon leads to the Dean's shamefaced resignation when he fails to notice the camera on account of tasty blonde AJ Applegate climbing onto his desk and wiggling her rump right in his face. Instead of throwing the misguided flammer out of his office with a flea in her ear, he makes the fatal mistake of allowing her to stay – with a cock in her mouth. To be honest, given the ample inking he reveals as he sets about poking her, I'm not convinced this guy was quite Dean material in the first place. Anyway, nymphomaniac Lezley Zen takes over the post and she allows the girls to do pretty much what they like with no comebacks, including hosting an orgy, which, like most of those I have attended in my dreams, has lots and lots of seriously sizzly sex in it. And the occasional woman.

Lots of fun from start to (generally premature) finish.

Sex-crazed sorority sisters partying in their little plaid skirts and shagging lads from the fraternities.

LOVE, LUST & LONGING

CAST: Allie Haze, Asa Akira, Jessica Drake, Marica Hase, Tyler Nixon.

Those who have stayed in affordable holiday accommodation with a bevy of horny escorts will know that there is no such thing as a “seemingly innocent Bed & Breakfast”. Why, one might as well posit the existence of “apparently guiltless portaloo’s” which have never seen any hardcore sex action within their claustrophobic confines. And all this is to say nothing of “supposedly chaste holiday caravans”. But let’s be charitable and suspend belief for a moment, shall we?

A prostitute named Rachel who has set up shop in the master bedroom of the B&B falls in love with James, a boarder who is sojourning there after separating from his wife and his house and his wallet. Poor James is in a quandary for all of a minute as he attempts to come to terms with the fact that the not unlovely Rachel is strictly pay-as-you-yearn. When he makes that adjustment, however, he really gets stuck in. If you have ever seen a big spider forcing itself into a hole in the skirting while you try to smack it with a shoe then you’ll have a fairly good idea of how seriously James commits to

Rachel and her inviting slot.

But perhaps the finest sequence on display in this flick is that in which the ferociously fanciable Asa Akira attempts to satisfy her dirtiest desires in a food truck without washing her hands. At least, not in water. Thankfully for her (and us, as it happens) she’s soon joined by Nick Manning, who’s more than happy to lend her whichever appendage she deems most appropriate for the task. She’s all-too-clearly done this sort of thing before, because she chooses his cock without even thinking about it.

Brazzers

MILF FANTASY

CAST: Ariella Ferrara, Ash Hollywood, Brandi Love, Bridgette B., Holly Halston, Keisha Grey, Kiara Mia, Lisa Ann, Noelle Easton, Veronica Avluv.

After I realised that MILF was not an acronym for Men In Lavender Frocks, as I’d been told by someone who hates me and whom I’m really going to have to remember to ignore from now on, I relaxed sufficiently to enjoy this worthy porn offering aimed at those who become aroused by women who are significantly older than themselves but who are – and I can’t emphasise this enough – definitely not their Mums. In my case the only such women still living are shuffling about in sheltered housing or else geriatric institutions, but then that’s what happens when seemingly overnight you find you have become Older Than Almost Everybody Else.

Box cover “Mother I’d Like To Fuck” Lisa Ann, sometimes called “the Goddess of Big Cock”, has been gamely humping her way through all the young rods on Mount Olympus for ages, so when her manservant Marcus tells her that she’s finally sampled every stiff dick in the heavens, Lisa is furious and decides to go forth among we mere mortals and do someone about it. Well, that’s not a scenario you find in every bongo flick, is it? I doff my cap to Brazzers for coming up with it, frankly – somebody must have been watching *Clash Of The Not Quite So Tight ‘Uns* or something...

Another stunning performer upstaging the younger cocksman is MILF Veronica Avluv, who finds herself battling over a comparatively youthful penis with gorgeous whippersnapper Keisha Grey in order to land a part in a porn flick. I dare say am probably not the only viewer who’s been confused by this, since it seems to me that she’s already in one. Either way, squirry Veronica and the lovely Keisha make a very comely pair indeed, and the jammy woodsman who finds himself in the middle of this crumpetfest doesn’t half make the most of things.

Wicked Pictures

IMPULSE

CAST: Stormy Daniels, Asa Akira, Britney Amber, Dahlia Sky.

I think most of us know about all the various serial killers in criminal history who started off as “good eggs” until an itsy-bitsy bit of brain damage changed them into homicidal nutjobs, e.g. that nice Raymond Fernandez, who was the toast of the US merchant marine vessel on which he served until a ship’s hatch fell on his head and he started murdering women as the male half of the infamous “Lonely Heart Killers” in partnership with Martha Beck... and then of course there’s that film *Angel Of Death* wherein blonde bruiser Zoe Bell gets a knife stuck in her skull and acquires a conscience.

Well, something very similar happens to our heroine, April (Stormy Daniels), when she and her lovey-dovey husband Michael (Danny Mountain) wind up in a car accident and April takes one knock too many to the napper. Upon her release from hospital she begins to

spiral out of control sexually, and believing she has merely found a new zest for life, commences to experiment whenever she feels “the impulse”.

Soon, however, Michael suspects that something infinitely more sinister is happening to Her Indoors...

WARNING: ANY AMOUNT OF INTENSE AND VIOLENT KNOBBING. UNSUITABLE FOR CHILDREN, EUNUCHS, PEOPLE SAT FACING AWAY FROM THE TELEVISION SCREEN, OR THE BLIND.

For once, a feature porn for couples that’s worthy of the name. Highly recommended.

Time for one more *Mayfair* newbie? Why, yes, it seems there is! Petite UK hottie Kiki looks like the perfect package with who to wind up what's turned out (even if we say so ourselves) to be rather a cracking collection of cuties! And while life in our capital city might have plenty of drawbacks (crammed nose to armpit on the trains, say, or dodging House of Commons Speaker John Bercow as he gets chauffeur-driven to the corner shop for a packet of fags and back) there are also a good few attractions – like Kiki herself!

“I know it’s noisy and crowded,” she tells us, “but I honestly wouldn’t want to live anywhere else! There are so many fancy nightclubs, and me and my mates love hitting to town to see what kind of fun we can have with some big-spending guys. So far, I can tell you, we’ve had plenty!”

And judging from these pics, we can’t help thinking the big-spenders have been having plenty of fun as well!

GIGI

Age: 28 Vital Stats: 34DD-26-33 5'10"
Photographer: Twistys

— — — — —

Sank 'eavens for leetle girrlz! – so warbled Maurice Chevalier about the original Gigi (erm, thinking about it, that's a bit iffy in this day and age, isn't it?) but now that we've met our own Gigi, we can certainly see his point. Not that this Gigi is what you'd call particularly leetle, given that she's a statuesque 5 foot 10 inches tall, and boasts a splendid pair of DDs! Either way, were pretty sure that Maurice would have approved, especially when she starts sprawling on the bed in front of us showing off her perfectly smooth smoo! Mind you, a rather OTT French accent isn't really the order of the day, because Gigi here is – it becomes clear as soon as she opens her mouth – a fair dinkum Aussie!

“That's right – born and bred, although I'm off to America to see if I can make my name in the adult industry!”

Well from what we can see (ie everything!) we're sure you'll succeed!

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: www.lovemilfs.uk

Mmm, what is it about a girl with a hole ripped in her tights, eh? Perhaps it's just simply that you can see her pussy – but there's something about the framing of a pussy that makes ripped tights even more alluring – especially if the framing of the ripped tights is as lovely as Aubrey here! So what does she think of them, we wondered?

“It seems somehow dirtier than just showing off my pussy, I guess. I think I ought to get some tights just so I can experience being fucked through the ripped hole!”

Ahem, well no time like the present!

Smiley Jamie Jenkins always brings a bit of extra joy into our day whenever she shoots – and not only because she’s got a such a super fit bod either! It’s her temperament as much as anything that works wonders at lifting the mood, which can sometimes get a bit gloomy of an afternoon – especially when the Ed’s had to put his hand in his pocket at the pub. So how come she’s always so bubbly and upbeat whenever we see her?

“I guess I’m just a bubbly sort of personality!” she laughs. “What’s the point of moping around being miserable all the time? Life’s what you make of it, and I’m young, healthy and having a good time, so why shouldn’t I be happy? And besides, I always love coming along for a *Mayfair* shoot, so if I’m already pretty happy, knowing I’ll be taking my clothes off for your readers is guaranteed to put an extra wide smile on my face for the day!”

Mmm, theirs too, Jamie – theirs too!

Well it wouldn't be Christmas without a bit of Holly about the place, would it? And just because we're feeling generous, we thought we'd throw in a bit more festive greenery as well – Emma Green-ery, that is! Look, we tried to find a model called Ivy, but they're a bit thin on the ground, alright? And besides, once Holly and Emma here got together, it quickly became clear they were a far better match than the plants of the song! Holly and ivy might well look nice in a forest, but they don't get up to half the naughty things this horny pair did, let me tell you!
